Yard 8, Lake Arrowhead Roads/W.O.#HA0076

SUBJECT: YARD 8 - CEQA CATEGORICAL EXEMPTION FOR THE OVERLAYING OF NINE
(9) ROADS, LAKE ARROWHEAD AREA

I have reviewed the project description for California Environmental Quality Act (CEQA) compliance for the overlaying of nine (9) roads, in the Lake Arrowhead area of San Bernardino County (see Attachments). The proposed project consists of applying a ¾" to 1¾" thick asphalt overlay on existing paved roads.

The project sites are located within the San Bernardino National Forest in both forested and residential areas. No natural vegetation will be disturbed by the proposed overlay operation, as all work will be performed within the existing right-of-way of each street. The Project Schedule for these roads is Fiscal Year 2003-2004. The estimated start construction date is July 2003 and the duration of construction is approximately four (4) weeks.

The proposed work qualifies for a Categorical Class I Exemption under Section 15301 (c) of the CEQA Guidelines. Section 15301 (c) allows for the minor alteration of existing public or private structures, facilities involving negligible or no expansion of uses such as existing highways and streets.
